Did you ever want to give your parents a good mood from the start of the day! But the vacuum cleaner is too loud, and walking around the house has the same problem! But once you get to cooking, you realize you can make nothing but scrambled eggs! That's why you should join our cooking club: "Hungry Mts".

We have lots of friendly and attractive people here, which if you ask them, maybe will help you! We have top-tier kitchen equipment from the local shop located miles away! The plans of our club are to have a huge amount of people that won't insult each other just from seeing one another. But you should take that with a pinch of salt!

We don't really care if you come or not, your parents are still paying us money for a 45 minute lesson at Mondays and Fridays from 4-5 PM.

The benefits of participating in our club are: you will actually be able to do something useful instead of slacking off all day and ruining your parents and friends (if you have them) opinion of you!

The second benefit is that you might get friends and improve your social and cooking skills.

If you join us, somebody might have a positive opinion about you, and you also might get a higher self-esteem yourself! Join us now if you want to change your life to the better!
